

You can register your idea on Together4Armenia platform if:

- you are an individual or a group of people aged 18+, an initiative, NGO, foundation, state institution, business that resides in Armenia and has a project idea targeting the local community development,
- the project idea is realistic, has a clearly-defined objective, background, action of plans,
- it does not require financial investment and searches for knowledge investment,
- preferably has resources to start with and/or partners to cooperate with,
- does not have political and / or religious orientation.
- Is flexible to work with both local and Diaspora Armenian experts.

Please, be aware that before appearing on the web all project are being reviewed and verified according to the above-mentioned criteria. The process can take anytime between a couple of hours to a day. We ask you that you fill out as much information as you can when you register so that we can understand as much as we can about your project idea and organization.

If we are missing important information, we will email you asking to send us what is missing before we can move on to the next steps.

Note that we do not charge any fee from project initiator for registering its project on the platform, and it may stay for as long as 1 year on the web.

We do, however, reserve the right to examine nonprofits that do not comply with our requirements and to suspend or cease activity at our discretion.
